

Week of the Young Child

APRIL 3-7

We love to dance, sing and do some fun Karaoke together here at Crossroads! It is time to show our talent!

We will provide tasty foods for the children to make and try!

The children will be creating towers out of Legos and many other materials. We will encourage turn-taking and group problem solving.

There will be masterpieces created by the children using many varieties of art materials.

Arrange a time during the day, and do a fun activity with your child! Please send a picture to the school so we can share it on the website. This is optional for all families.
